

# Fallen Angels

## Black Veil Brides

Scream, shout, scream, shout  
We are the fallen angels

We are the in between  
Cast down as sons of war  
Struck to the earth like lightning  
On this world we're torn

We won't cause the pain  
Of living out their law  
Take joy in who you are  
We know our wings are flawed

We're bored to death in heaven  
And down alone in hell  
We only want to be ourselves

We scream, we shout  
We are the fallen angels  
We scream, we shout, woah, woah  
To those who sing alone  
No need to feel this sorrow  
We scream, we shout, woah  
We are the fallen angels

Follow the morning star  
A land where darkness failed  
The passion left unholy  
Now you found yourself

We have nowhere to go  
No one to wish us well  
A cry to find our home  
Our stories they will tell

We're bored to death in heaven  
And down alone in hell  
We only want to be ourselves

We scream, we shout  
We are the fallen angels  
We scream, we shout, woah, woah  
To those who sing alone  
No need to feel this sorrow  
We scream, we shout, woah  
We are the fallen angels

Scream, shout  
We are the fallen angels  
Scream, shout, woah, woah

We scream, we shout  
We are the fallen angels  
We scream, we shout, woah, woah  
To those who sing alone  
No need to feel this sorrow  
We scream, we shout, woah

We are the fallen angels

We scream, we shout

We are the fallen angels

We scream, we shout, woah, woah, woah, woah

We shout, woah

We are the fallen angels
