

## Same Mistake Twice

Black

Is there something going on I don't know about yet?  
There is something going on around here  
I don't know why you're laughing  
Don't know why you cry  
Don't know what you're thinking as you look in my eyes  
You don't know what you want is this the same mistake  
Twice?

There is something going on I don't know about yet  
There is something going on around here  
I don't know when you're leaving, don't know where you go  
It's killing me to follow but that's where I want to go  
To not know what you want is like the same mistake twice

I love it when you're angry  
I love it when you play  
I love it when you offer  
I love it when you rain  
I love it when you scare me  
I love it when you smile  
I love it when you're frightened  
I love it when you hide
