I like the way you talk I like the way you fuck I like-I like-I like-I like The way you fuck I'm better than the average letterman You better plan ahead instead of rantin' sending steady telegraphin' poems y ou'll never ever grasp The clever vasking relevant Misstep and thrash all through your metal bastard Like an elephant My head expands forever Every chance I get to tear a jam I'm trending, mad shit my endeavor hella better evidence Of verbal in a trance, you're spitting trash My man begin again My mind is militant and will reveal your little innocence The citizens of villages be like "Hey Gift, oh you the man My nigga can you spit again And kill them with your infinite flow?" Did it and made dividends And exit with your chicken head Right when we fled the premises She leaned right in my ear and said So talkative, I'm out to live the life of mountains Shift just now and then my style offends But only if you're out to grip the crown of emcees Bound to pound the sound Ain't clownin' just a lesson grounded It's so fresh, astounding With these records y'all ain't shit to us Your non-existent flow will fall to shit You step inside of our existence All of y'all I'll call your mama just to save you from the drama This is Quannum call your doctor Get your karma forming all inside your noggin Storin' with them rhymes It's sound like I was soundin' one-on-one to toddler Barely walkin' round the new place Droolin' slobber fallin' out my mouth I'm ga-ga-in' and goo-goo-in' It's voodoo when you step into new energy I threw you when you kick them zippo rhymes That you do when you rap Fool you in a trap, see me and you doo-doo in your pants Rule you with my crayon Iron hand gon' do you with a lance As my mind expands I enhance Do you feel my wrath? Your girl had told me "Gabby, I love listening to you man." But anyway I did hear you on the radio today

If you were tuned into my show then you had an experience

I produce, write, and direct my own material for both radio and television $\mbox{\it Because I}$ own them

Just another one of the things that makes me so special
