

Queen of Broken Hearts

Blackbear

I'm the queen of broken hearts
Break you in a thousand parts
Used to be a shooting star
When did I become so dark?

You need to chill girl, don't play me
I'm too far gone, you can't save me
And I don't care, I fuckin' hate me
I popped a pill and I'm fading
Take anything, make it about me
It's a heavy crown, it might drown me
I know it sucks being around me
So does life
Don't @ me, don't doubt me

I'm the queen of broken hearts
Break you in a thousand parts
Used to be a shooting star
When did I become so dark?

I'm the queen of broken hearts
Break you in a thousand parts
Used to be a shooting star
When did I become so dark?

I'm the queen of broken hearts
Left you with a thousand scars
Used to be a shooting star
When did I become so dark?

Block my posts and my story
I'm sorry, I can be annoying
I go ghost without warning
Popped a pill, now I'm snoring
Material girl, you can't afford me
This conversation got boring
You're so 2000 before me
You're in the past, you're yesterday morning

I'm the queen of broken hearts
Break you in a thousand parts
Used to be a shooting star
When did I become so dark?

I'm the queen of broken hearts
Break you in a thousand parts
Used to be a shooting star
When did I become so dark?

I'm the queen of broken hearts
Left you with a thousand scars
Used to be a shooting star
When did I become so dark?

Tell me, tell me I'm the worst
Make you cry and make you hurt
I'm the queen, bow down to me

I will leave you out to bleed

Tell me, tell me I'm the worst
Make you cry and make you hurt
I'm the queen, bow down to me
I will leave you out to bleed

I'm the queen of broken hearts
Break you in a thousand parts
(A thousand parts)
Used to be a shooting star
When did I become so dark?

I'm the queen of broken hearts
(Broken hearts)
Left you with a thousand scars
Used to be a shooting star
When did I become so dark?
When did I?
When did I become so dark?
When did I?
When did I become so dark?
When did I?
When did I become so dark?
Used to be a shooting star
When did I become so dark?
