

Tupelo Honey

Blackfoot

You can take all the tea in China
Put it in a big brown bag for me
Sail right 'round, all the seven oceans
Drop it straight into the deep blue see
She's as sweet as Tupelo honey
She's an angel of the first degree
She's as sweet as Tupelo honey
Just like honey baby from a bee

You can't stop us on the road of freedom
You can't keep us cause our eyes can see
Men with insight, men in granite
Knights in armor bent on chivalry

You can't stop us on the road of freedom
You can't keep us cause our eyes can see
Men with insight, men in granite
Knights in armor bent on chivalry
