Life is cruel no choice but to play.
We're up to our necks in yesterday.
We all know that thief called life,
leaves us in grief at night
And I'm dying to tell you, don't try. No one cares.
And I'm dying to tell you, you don't listen, YOU DON'T CARE.
I can tell you everything that you need to know.
You gotta face your past,
see how long you can last.
We will be remembered for everything that we did right.
