First of May

Blackmore's Night

When I was small, and Christmas trees were tall We used to love while others used to play Don't ask me why, but time has passed us by Someone else moved in from far away

Now we are tall, and Christmas trees are small And you don't ask the time of day But you and I, our love will never die But guess we'll cry come first of May

The apple tree that grew for you and me I watched the apples falling one by one And I recall the moment of them all The day I kissed your cheek and you were mine

Now we are tall, and Christmas trees are small And you don't ask the time of day But you and I, our love will never die But guess we'll cry come first of May

When I was small, and Christmas trees were tall Do do do do do do do do...

Don't ask me why, but time has passed us by Someone else moved in from far away
