

## Village Lanterne

## Blackmore's Night

**A**

Don't shed a tear for me

**D** **A**

I stand alone

**A**

This path of destiny

**E**

Is all my own

**A**

Once in the hands of fate

**D** **F#m**

There is no choice

**D** **A**

An echo on the wind

**E** **A**

You'll hear my voice...

**A**

Some choose to fall behind

**D** **A**

Some choose to lead

**A**

Some choose a golden path

**E**

Laden with greed

**A**

But it's the noble heart

**D** **F#m**

That makes you strong

**D** **A** **E** **A**

And in that heart, I'm with you all along...

**F#m**

**C#m**

The olde village lanterne

**D** **A**

Is calling me onward

**D** **A** **E**

Leading wherever I roam

**F#m**

**C#m**

The olde village lanterne

**D** **A**

A light in the dark

**D** **A** **E**

Bringing me closer to home...

**A**

So when you think of me

**D** **A**

Do so with pride

**A**

Honor and bravery

**E**

Ruled by my side

**A**

And in your memory  
**D** **F#m**  
I will remain  
**D** **A** **E** **A**  
I will forever be within the flame...

**H**  
Now at the journey's end  
**E** **H**  
We've traveled far  
**E** **H**  
And all we have to show  
**F#**  
Are battle scars  
**H**  
But in the love we shared  
**E** **Asm**  
We will transcend  
**E** **H**  
And in that love  
**F#** **Asm**  
our journey never ends...

**H**  
Don't shed a tear for me  
**E** **H**  
I stand alone  
**H**  
This path of destiny  
**F#**  
Is all my own  
**H**  
Once in the hands of fate  
**E** **Asm**  
There is no choice  
**E** **H**  
An echo on the wind  
**F#** **H**  
You'll hear my voice... 3x
