

Baby Be Mine

Blackstreet

Now is the time, and here's the place
I Want...
The Glow of Love is on your Face
I Want...
Don't Be Afraid, just come to me
I want...
For your Lovin', I've been waitin patiently

So come closer please, and I will show you the way
Love & Extasy tonight!
Cause It's hard to find
Real love, so baby won't you try me
And forever you will be mine

I Want You, I Need You (Girl)
Baby, Baby Want You be mine? (Baby Please)
I Want You, I Need You
Baby, Baby Let's spend some time

You Got it goin' on
To the break-a-break of dawn
From Your Head to your toes
Cause Blackstreet knows

You're the Sexy-Move-Maker
And a Crazy Rump-Shaker
Just go with the flow
Cause I want you to know

I Want...
Live is to short, to spend it all alone
I Want...
We could be together, make a happy home
I Want...
If you just open up to me
I want...
I would give you Lovin' girl from A to Z

Baby, Baby
So let's not waste Time
Live is to short, for if's and maybe's
I wan't you to tell me right now
That you're good to go
And we will flow to the swing
And forever you will be mine
