

# Afraid

Blake Lewis

Not afraid when I'm with you  
I'm afraid when I'm without you

Can you blame me for thinking this way?  
You would know it if you saw you  
The way I do, you should try to  
I never need to sell myself for you

It's that type of love that you see  
Only up on the movie screens  
But we got that love, you and me  
And it scares the life out of me

But I'm not afraid when I'm with you, you, you, no  
I'm afraid when I'm without you, yeah  
And I don't know what to do, do, do, no  
'Cause I'm afraid when I'm without you

Put me in a padded room 'cause I might go crazy  
I might go a little bit insane, without my baby  
My whole world doesn't look the same  
I'm so afraid without you

Body's shaking now, I'm spinning around  
And it seems so hard to breathe  
Someone slow me down, only you know how  
And it happens every time you leave

It's that type of love that you see  
Only up on the movie screens  
But we got that love, you and me  
And it scares the life out of me

But I'm not afraid when I'm with you, you, you, no  
I'm afraid when I'm without you, yeah  
And I don't know what to do, do, do, no  
'Cause I'm afraid when I'm without you

Put me in a padded room 'cause I might go crazy  
I might go a little bit insane, without my baby  
My whole world doesn't look the same  
I'm so afraid without you

I'm swimming in the deep end  
Only you can rescue me  
There's no need to pretend  
You're the missing piece of me  
I'm so afraid without you

Not afraid when I'm with you, you, you, no  
I'm afraid when I'm without you, yeah  
And I don't know what to do, do, do, no  
'Cause I'm afraid when I'm without you

Put me in a padded room 'cause I might go crazy  
I might go a little bit insane, without my baby  
My whole world doesn't look the same

I'm so afraid without you, I'm so afraid without you  
I'm so afraid without you
