

Lost in Heaven

Blake Lewis

Ever since I could remember
I've had this dream that keeps me up at night
I'm in the presence of an angel
who's beauty is always hidden by the light
I'm moved by her wings, I hear her heart sing,
and I don't want to be anywhere else

But when I woke up next to you sleeping
it felt like my vision had just come to life

My angel has found me
now I can fly...

Lost in heaven, (Heaven) when I look in to your eyes
Lost in heaven, (Heaven) and I found my paradise
Lost in heaven, (Heaven) right here between us
Oh this feeling leaves me speechless
up in the sky just you and I
Just you and I

Before you my life was run in circles
I needed your loving hands to set me free
Don't know what I did to deserve you
But now this golden road's our destiny love,
you're stuck with me now

My angel you've found me
Now we can fly...

Lost in heaven, (Heaven) when I look in to your eyes
Lost in heaven, (Heaven) and I found my paradise
Lost in heaven, (Heaven) right here between us
Oh this feeling leaves me speechless
up in the sky just you and I
Just you and I

Loves forever, love will be what last beyond eternity
In your eyes and in my dreams, lost in love for all to see
Loves forever, love will be what last beyond eternity
In your eyes and in my dreams, lost in love for all to see... yes.

Lost in heaven, (Heaven) when I look in to your eyes
Lost in heaven, (Heaven) and I found my paradise
Lost in heaven, (Heaven) right here between us
Oh this feeling leaves me speechless
up in the sky just you and I
Just you and I
Just you and I
We're lost in love
Just you and I
