

She Gives Me Her Love

Blake Lewis

She always sees the side of beauty,
the kind that I would never see,
like how nature sings sweet harmony.
She always spends her hopes so freely.
She's not concerned with practical,
Her heart is much too magical. For that.

My heart beats faster, I can't breath.
I find it hard to believe,
that I've found the one, who trembles me. So captivating...

She gives me her love, love, and it pulls on this heart of mine
She gives me her love, love, and the stars they all fell in line
is it destiny that's haunting me, I can't let history repeat.
So I give her my love, love And I'm going all in this time.
And It feels alright

She always wears her heart on her sleeve,
with a style that's always so unique,
mixing colors that she needs to speak.
She seems to find my flaws endearing,
She's the perfect remedy,
With her I found my energy.

My heart beats faster, I can't breath.
I find it hard to believe,
that I've found the one, who trembles me. So captivating...

She gives me her love, love, and it pulls on this heart of mine
She gives me her love, love, and the stars they all fell in line
is it destiny that's haunting me, I can't let history repeat.
So I give her my love, love And I'm going all in this time.
And It feels alright

I could see the seasons go round with her,
Watch the leaves fall, as the clouds burst.
It's only make believe if we let it be,
from the clear blue sky to the stormy sea.
