

Trouble

Blake Lewis

Hold my breath
Future hasn't happened yet
Time won't wait
It's a burning cigarette
Take a step across the line
With no fear of consequence
Tag my name on every sign
Leave behind innocence

Oh, I need get a hold of something real
To make me feel like I could be everywhere, anywhere
All I wanna do is live my life on the move
Like I've got nothing to prove
Nothing but nothing to lose, yeah
Life without a care

I'll never know where to go 'til I find it
A little taste of freedom won't be enough for me
Cause as soon as I get the juice, you know I'll be bustin' loose
Risk it all, right or wrong, I do believe
Oh, I'm in trouble now
Oh, I'm in trouble now

Cold regret
The past won't let me forget
Too much, too late
Love's an unfamiliar friend
I don't want to waste my time
Getting drunk on confidence
I'll fly on clouds 1 thru 9
Leave behind ignorance

Oh, I need get a hold of something real
To make me feel like I could be everywhere, anywhere
All I wanna do is live my life on the move

Like I've got nothing to prove
Nothing but nothing to lose, yeah
Life without a care

I'll never know where to go 'til I find it
A little taste of freedom won't be enough for me
Cause as soon as I get the juice, you know I'll be bustin' loose
Risk it all, right or wrong, I do believe, I do believe
Oh, I'm in trouble now
Trouble, trouble, trouble...

Trouble, trouble, trouble
I'm in trouble now, I'm in trouble now

I'll never know where to go 'til I find it (Till I find it)
A little taste of freedom won't be enough for me (Won't be enough for me)
Cause as soon as I get the juice, you know I'll be bustin' loose
Risk it all, right or wrong, I do believe (I do believe)
I'll never know where to go 'til I find it (Till I find it)
A little taste of freedom won't be enough for me (Won't be enough for me)
Cause as soon as I get the juice, you know I'll be bustin' loose

Risk it all, right or wrong, I do believe (I do believe)
Oh, I'm in trouble now
