

First to Love

Black Audio

Emily, what did you say when he said, "Follow me"?
What would you give to live your tragedy?
There is no price he needn't pay.
You give yourself away.

(Oh)
She said, "No one's ever sent me flowers"..
Oh (Oh)
..as the tears filled her eyes. With the tears, she denied them
.
Oh (Oh)
She said, "No one's ever sent me flowers."
Oh (Oh)
"You'll be the first I leave because I'm always the first to love."

Emily, what did you do to become part of me?
I'd do anything to be your tragedy.
If only my thoughts could bring you to break,
You'd give yourself to me.

(Oh)
She said, "No one's ever sent me flowers"..
Oh (Oh)
..as the tears filled her eyes. With the tears, she denied them
.
Oh (Oh)
She said, "No one's ever sent me flowers."
Oh (Oh)
"You'll be the first I leave because I'm always the first to love."

I'm always the first to love.
I'm always the first to love.
I'm always the first to love.
I'm always the first to love.

(Oh)
She said, "No one's ever sent me flowers"..
Oh (Oh)
..as the tears filled her eyes. Like the world, she denied me.
Oh (Oh)
She said, "No one's ever sent me flowers."
Oh (Oh)
"You'll be the first I leave because I'm always the first to love."
