

# Freakazoid

Blaque

New Blaque  
C'mon!

Promise baby, you won't make me cry  
'Cause I know you like to flirt, boy nut I'm no chick on the side (chick on the side)  
I got high expectations, I gotta be your number one (uh-huh)  
You can't call after 12 midnight thinking you gon' get you some, yeah

'Cause I'm not your freakazoid, your late night chick  
I know I may look fast but I'm innocent  
You used to chicks blowing it in your face  
That might be them, with me, that's not the case

Yeah I'm sensitive and easily hurt  
I know you say you love me but you gotta show me first (uh-huh)  
'Cause I'm a chick with class mixed with ghetto style  
I know you like a freaky one but I'm not that wild, yeah (ow, come on)

'Cause I'm not your freakazoid, your late night chick  
I know I may look fast but I'm innocent  
You used to chicks blowing it in your face  
That might be them, with me, that's not the case

Tell me whatchu gon' do  
Sit and listen to this beat go, zigga-zoom a zigga-zoom (aw)  
I assume that if I let you hit that rhat you might say, "Girl gimme room" (ah!)  
I can't let you come back and explain or even prove  
I wrote a song for playback, ba-ba-boom, ba-ba-ba-boom (ah, c'mon)  
So you say you need a girl like your name was Puff and Loon (aw)  
Try to tell me what to do Jack? Well this ain't no cartoon (aw)  
Just 'cause you got a house, girls and cars that go "vroom" (uh)  
Don't mean you can assume Jack that dogging me is bein' cool (ow)

'Cause I'm not your freakazoid, your late night chick  
I know I may look fast but I'm innocent  
You used to chicks blowing it in your face  
That might be them, with me, that's not the case

Oh yeah, show some respect (oh yeah), don't I deserve that? (oh yeah)  
Do I look like the type who just here for one night?  
Don't you know, I don't stoop that low  
You know how I roll, I'm not your freakazoid  
Show some respect, don't I deserve that?  
Do I look like the type who just here for one night?  
Don't you know, I don't stoop that low (yeah, yeah)  
You know how I roll (c'mon) I'm not your freakazoid

'Cause I'm not your freakazoid, your late night chick  
I know I may look fast but I'm innocent  
You used to chicks blowing it in your face  
That might be them, with me, that's not the case
