

Helpless

Blaque

Here's a little story I gots to tell (Uh huh)
Here's a little story I gots to tell (Yeah)
Here's a little story I gots to tell
About this stupid, broke nigga that I knew too well
Here's a little story I gots to tell (Uh huh)
Here's a little story I gots to tell (Yeah)
Here's a little story I gots to tell
About this stupid, broke nigga that I knew too well, let's go

Baby answer the phone is what you scream
When you know I'm already close fixin to leave
Even though the new cordless phone, paid for by me
Is right there at your feet, you won't get up out your seat
Then you got the nerve to say, 'bae, lend me some cheese'
When you can't pay nothin' back, you're trifling
How's about tryin to find a J-O-B
'Stead of bein' a deadbeat, claim responsibility

(Do you) really believe that you're really worth it? Ooooh
(You need) to realize that you are not all that (You are)

Helpless, you are
Hopeless, you are
Selfish
You don't accept responsibility
Helpless, you are
Hopeless, you are
Selfish
And we can never be cause you are
Helpless, you are
Hopeless, you are
Selfish
It's never about me
Helpless, you are
Hopeless, you are
Selfish
And we can never be cause you are

Boy you must've forgot that it was me
Who was always pickin' you up in the streets
Knowin' that you really didn't have a thing
I hoped you were the make believe, hopin' one day it would be
Now that I am out here and doin' my thing
Always bein' selfish, when it comes to me
You must be fearful that I'm matching
Your hopes and your dreams, wouldn't that be crazy?

(Do you) really believe that you're really worth it?
(You need) to realize that you are not all that (You are)

Helpless, you are
Hopeless, you are
Selfish
You don't accept responsibility
Helpless, you are
Hopeless, you are
Selfish

And we can never be cause you are
Helpless, you are
Hopeless, you are
Selfish
It's never about me
Helpless, you are
Hopeless, you are
Selfish
And we can never be cause you are (Yeah, yeah, yeah, yeah)

Here's a little story I gots to tell (Uh huh)
Here's a little story I gots to tell (Yeah)
Here's a little story I gots to tell
About this stupid, broke nigga that I knew too well (Whoo)
Here's a little story I gots to tell (Uh huh)
Here's a little story I gots to tell (Yeah)
Here's a little story I gots to tell
About this stupid, broke nigga that I knew too well (Come on)
(You are)

Helpless
Hopeless
Selfish
You don't accept responsibility, you are
Helpless, you are
Hopeless
Selfish
And we can never be cause you are
Helpless, you are
Hopeless, you are
Selfish
(Ayyyyyy)
Helpless, (You be!)
Hopeless, (Boy you be!)
Selfish
And we can never be cause you are

Helpless, (Helpless)
Hopeless, (Selfish)
Selfish
And you don't even care about me yeah
Helpless, you
Hopeless, you
Selfish
And we can never be cause you are
Helpless (And I can't take your)
Hopeless, (And your)
Selfish
Good for nothin' and triflin ay
Helpless, you are
Hopeless, (And I can't take your)
Selfish
And we can never be cause you are
Stupid
