

# If It Was Me

Blaque

I never knew love could be this true, be this cruel  
Forever I'll wanna spend the rest of my life with you (Uh huh)  
I wish you were here lying next to me, holdin me  
But I understand you're my girlfriend's boyfriend (Come on)

I should feel bad but I don't  
I wanna make a move but I won't (Whoo)  
And everyday I see ya  
Kissin' and huggin' and missin' each other and lovin' each other  
And I can't help but wonder

If it was me, (Me) under the sheets (Sheets)  
If it was me, kissin' your cheek  
If it was me, lovin' you down  
But I won't be around sayin'  
If it was me, your wife to be  
If it was me, showin' a ring  
If it was me lovin' you down  
But I won't be around sayin'

I see the way you make her feel  
The way you keep it real  
When you're not around  
All she ever talks about oh  
(Is how she's) livin' the good life  
(And how she's) lovin' her sex life  
(And how she's) so lucky to have you in her life

I should feel bad but I don't (Uh huh)  
I wanna make a move but I won't  
And everyday I see ya  
Kissin' and huggin' and missin' each other and lovin' each other  
And I can't help but wonder

If it was me, under the sheets  
If it was me, kissin' your cheek (If it was me, yeah yeah)  
If it was me, lovin' you down (Woah woah woah)  
But I won't be around sayin'  
If it was me, your wife to be (Yeah)  
If it was me, showin' a ring (Come on)  
If it was me lovin' you down (Uh huh)  
But I won't be around sayin' (Whoo)

How would I feel if my best friend wanted my man?  
But I didn't know it  
How would I react to the fact that; she fell for him?  
But she didn't show it  
Would I be hurt? Would I be mad? I wouldn't be sure?  
Bet I'd be sad?  
So I keep it all in me (Yeah)  
Cause I know how I would be! (Come on!)

If it was me, (Me) under the sheets (Sheets)  
If it was me, kissin' your cheek (Woah woah woah)  
If it was me, lovin' you down (No, no, no)  
But I won't be around sayin'  
If it was me, your wife to be (If it was me yeah)

If it was me, showin' a ring  
If it was me lovin' you down  
But I won't be around sayin'

If it was me; I wish it was me  
If it was me (You wish it was me) I wish it was me  
If it was me (You wish it was me) I wish it was me  
If it was me (You wish it was me) I wish it was me  
If it was me (You wish it was me) I wish it was me  
If it was me, lovin' you down (You wish it was me)  
But I won't be around sayin' (Yeah, yeah, yeah)  
If it was me (You wish it was me)
