

Nappy Dugout

Blaque

Boy didn't I say (it's over)?
So why you crawlin' on your hands and (knees)?
(I cried) till my eyes turned blue
So don't expect no sympathy from (me)
(So what makes you think you can come thru the door?)
And tell me everything gon' be okay
(You figure), I love you way too much to tell ya
(To stay the hell away) from me

You won't get the Nappy Dugout, baby
(I said you won't get the Nappy Dugout baby)
Imma wait till I'm married for now, I'll save it
(See, Imma wait till I'm married for now, I'll save it)
For a guy who truly loves me, baby
(For a guy who truly loves me!)
Not for a lowlife fella who's drivin' me crazy
(Ohhh, yeah)

Stop leavin' messages (on my phone)
Tellin' me to call you back (sometime tonight)
See all those (times) I was hittin' you up
So now, why you wanna (come back inside)
But it's too (late) I already (told ya)
Why you wanna mess up somethin' so good
(I know if I gave you a little) control
You would take advantage, that's (how you do it)

You won't get the Nappy Dugout, baby
(I said you won't get the Nappy Dugout baby)
Imma wait till I'm married for now, I'll save it
(Imma wait until I'm married!)
For a guy who truly loves me, baby
(For a guy who truly loves me!)
Not for a lowlife fella who's drivin' me crazy
(Ohhh, yeah. No more)

No more for you
It's over baby (No more)
No more for you
(You can't have it)
No more for you
It's over baby (No more)
No more for you

You won't get the Nappy Dugout, baby
(I said you won't get the Nappy Dugout baby)
Imma wait till I'm married for now, I'll save it
(Imma wait until I'm married!)
For a guy who truly loves me, baby
(For a guy who truly loves me!)
Not for a lowlife fella who's drivin' me crazy
(Ohhh, yeah)
