Streets Of Baltimore

Bleed The Dream

I must've drove this street a millions at least a thousand times before its always beautiful in the fall time to walk the streets of baltimore

And you say that things would stay the same but i know i'm gonna miss the changing of the leaves this year and i know i'm gonna make it back there as soon as i find myself

I use to fall asleep at double rock without a penny to my name that's what made me dream my dreams because i had everything to give

And you say that things would stay the same but i know i'm gonna miss the changing of the leaves this year and i know i'm gonna make it back there as soon as i find myself

Soon as i find myself
i'm gonna make it back there
but i know i'm gonna miss the changing of the leaves this year
and i know i'm gonna make it back there
as soon as i find myself

And i know i'm gonna miss the changing of the leaves this year and i know i'm gonna make it back there as soon as i find myself
