

I saw our future in her eyes  
We searched for love amidst the lies  
I didn't mean to draw her in  
To a fight we'll never win  
And I sigh as...  
She becomes jelly in my hands

She told me things I never heard  
And I just drank her every word  
We swallow all that love can give  
Cause love's the reason that we live  
And I cry as...  
She becomes jelly in my hands

We crossed our T's with gazing eyes  
We knew it was finalized  
Built this love on sinking sand  
And I'm ashamed that I'm afraid to lend  
a hand as...  
She becomes jelly in my hands
