

## Oh Virginia

Blessid Union Of Souls

Here's my chance to say thank you to a place where  
All my memories are fond and an essence of my heart  
Waiting there with open arms  
There's Melissa full of charm  
How I miss her so, she's such a sight of love down in

Oh Virginia down the highway to 64  
East way to Newport News  
There you'll find an open door in  
Oh Virginia all my friends are there to greet me  
Just a smile down 64 along the open road

At the Patton Hotel I spent lots of time there  
That's where we decided this is where we wanted to be  
And down the road on Jefferson you'll find Steamer's close by  
If you see Mark and Steve Breen  
Tell 'em Jeff and I both said "hi"

But we were younger then never knowing then  
That she would take us as her own  
And make us part of her life  
Highway to the sun we had so much fun  
I can't wait to get there and tell 'em that I miss my second home

Oh Virginia down the way we'll be there in no time  
Oh Virginia just a ride down 64  
Oh Virginia I can see those signs from here  
Oh Virginia 25 miles to Hampton Roads

We got friends in Yorktown we got friends in Williamsburg  
We got friends in Newport News  
We want all of y'all from Portsmouth sing  
We got friends in Bluefield we got friends in Richmond  
We got friends in Hampton Roads  
And down by the beach let me hear everybody, yeah
