

# The First Time

Blink-182

(Yeah, yeah)  
(Yeah, yeah, yeah)

First drink of the night just to get me right  
The first light of the day, I know I got it all wrong  
The first pill that you drop only sets it off  
The next morning you wake up all blurry and numb

Before all the damn insecurities  
Before all your innocence is all lost  
Think back to the time you were all alone  
One day you'll look back and say where's it all gone

Sometimes we get lost inside our little heads  
Don't sleep just yet  
We all know that there's nothing like the

First love, first high  
There ain't nothing like the first time  
Passed out last night  
There ain't nothing like the first time

Taking all her meds, sleeping with her friends  
Find out in the end there ain't nothing like the first time  
Stuck inside her head, jumping in her bed  
Find out in the end there ain't nothing like the first time  
Nothing like the first time

First time on a plane so she's paranoid  
I tried to make her feel safe but said it all wrong  
First time in LA so she can't avoid  
Feeling like she's failing all along

Sometimes we get lost inside our little heads  
Don't sleep just yet  
We all know that there's nothing like the

First love, first high  
There ain't nothing like the first time  
Passed out last night  
There ain't nothing like the first time

Taking all her meds, sleeping with her friends  
Find out in the end there ain't nothing like the first time  
Stuck inside her head, jumping in her bed  
Find out in the end there ain't nothing like the first time

(Yeah, yeah)  
(Yeah, yeah, yeah)  
Nothing like the first time  
(Yeah, yeah)  
(Yeah, yeah, yeah)  
Nothing like the first time
