

# Nowhereville

Blitzkid

Might go drink some brews tonight  
If I got the cash  
Or do something  
To get me off my lazy ass

Stuck in these one horse hills it's lonely  
But the good times  
They still strike me funny

Woah oh, woah oh  
We're gonna have fun tonight  
Woah oh, woah oh  
Everything's gonna be alright

Might go drive around with some friends  
If they wanna go  
Nowhere to hang out  
Nowhere to see a show

Now is the time to race  
Someone on the strip  
Looking for a pretty face and

Woah oh, woah oh  
We're gonna have fun tonight  
Woah on, woah oh  
Everything's gonna be alright

Woah oh, woah oh  
We're gonna have fun tonight  
Woah on, woah oh  
Everything's gonna be alright

Might stay home and think of her tonight  
If I wanna cry  
Listening to our love song  
Let the TV burn my eyes

Nothing to do in Nowhereville tonight  
Bored I'm in misery  
Somehow I'm gonna crack a smile yeah

Woah oh, woah oh  
We're gonna have fun tonight  
Woah on, woah oh  
Everything's gonna be alright

Woah oh, woah oh  
We're gonna have fun tonight  
Woah on, woah oh  
Everything's gonna be alright  
Alright alright  
Alright alright
