

## She Dominates

Blitzkid

seduction places me in line,  
revealed to a submissive side.  
a crack of her whip is fine,  
latex rubber and blind eyes  
cat o' nine tails breaks me down,  
her discipline is so profound  
scars and cuts keep me around,  
tied up or tied down as  
long as i am bound...  
just as long as i am bound.

place me in your sense of care,  
iI'd do all for you, anywhere...  
you are the master I am the slave,  
willing to be your depraved  
servant to your ev'ry whim,  
let this fetish love begin  
take control let this be done,  
you rule this moment what may come.

i like this thing i am whenever you are near  
there is no resistance here

she dominates - i need some pleasure with my pain  
she dominates - abuse me in leather whips and chains  
she dominates - reduce me to a pleading cry, break the  
skin and tantalize  
i need some pleasure with my pain - she dominates...
