

23

23 seconds, all things we love will die

23 magic, if you can change your life

Your tainted heart, my tainted love, repent now

How many times ?

As long as you live, how many times ?

The world will go around

He was a friend of mine, he was a son of god ... he was a son of
a gun

23 seconds, in you I see a chance

23 magic, if you change the name of love

Your crazy heart, my crazy love, repent now

How many times ? As long as you wish

How many times ? The world will go around

How many times ? As long as you want

How many times ? The world will go around

He was a friend of mine, he was a son of a gun ... he was a son
of god
