

Seeing you on the wall in my room
It's so close to how it was
I never felt the same as you
Listen you in my house on the moon
You're so gentle I try
I lie, you lie

My friends told me stories of you
Driving wizards up and down
I never seen the same again

In vain, like it was yours
Far away, like you never meant to say
I've come to stay

I can see worlds
I can see the worlds
That belong to you

I don't need those worlds
I don't need those worlds say Sonic Youth...

Take me in, in such a way
Take it all until it breaks

Don't know why
Don't know why
Don't know why
Don't know why

You on the wall in my room
It's so close to how it was
Never felt
Never felt
Never felt
