

Fake Is the New Trend (feat. Haley Rose)

Blood On The Dance Floor

[Intro: Haley Rose]

Hey! Hey!

Do you want fame?!

Yeah! Yeah!

Just be fake!

[Verse 1: JayyVon]

I try to tell everyone

How real to be

Then I end up a misfit

Of society

Fake is the new trend

Everyone's in style

With a mouth full of shit

Behind every smile

I'm the real deal

No price tag included

Yo bitch ass is made of glass

See right through ya

Got too many condoms

So all you do is hate

'Cause you a B-A-S-I-C B-I-T-C-H

[Pre-Chorus: Dahvie Vanity]

Hollow, numb

Under your skin

Shallow, dumb

Nothing's within

Where is your beauty

Without your skin?

Fake, fake

Fake is the new trend

[Chorus: Haley Rose]

Hey! Hey!

Do you want fame?!

Yeah! Yeah!

Just be fake!

Hey! Hey!

Do you want in?!

Fake! Fake!

Is the new trend!

[Verse 2: JayyVon]

Real sick, real tats

Real blood on my face

Plastic ain't classic

Ain't no silicone in my taste

I'll replace your heart

With a voltage grenade

And watch your fucking brains fall out

All over the place

I'm as real, made of steel

With a matching fist, so listen up

Here's the deal, close your fucking lips

I never thought I'd see the day

That Barbie wasn't fake

But it's true what they say
"Boys play with toys
Till them bitches break"

[Pre-Chorus: Dahvie Vanity]
Hollow, numb
Under your skin
Shallow, dumb
Nothing's within
Where is your beauty
Without your skin?
Fake, fake
Fake is the new trend

[Chorus: Haley Rose]
Hey! Hey!
Do you want fame?!
Yeah! Yeah!
Just be fake!
Hey! Hey!
Do you want in?!
Fake! Fake!
Is the new trend!

[Bridge: Dahvie Vanity]
I'd like to make a toast
To my trill motherfuckers
Who do it like no other
Who show their real colors
Not afraid of staying true
Keep it you're than you
Everybody else is sick
So you gotta be you
Fuck the fakes!
Fuck the fakes!
Fuck the fakes!
Fuck the fakes!
Fuck the fakes!

[Bridge: Dahvie Vanity]
Hollow, numb
Under your skin
Shallow, dumb
Nothing's within
Where is your beauty
Without your skin?
Fake, fake
Fake is the new trend
Hollow, numb
Under your skin
Shallow, dumb
Nothing's within
Where is your beauty
Without your skin?
Fake, fake
Fake is the new trend

[Chorus: Haley Rose]
Hey! Hey!
Do you want fame?!
Yeah! Yeah!
Just be fake!
Hey! Hey!

Do you want in?!
Fake! Fake!
Is the new trend!
