

I Refuse to Sink

Blood On The Dance Floor

Hate your drama, rumors, and all the bullshit that you spread
If killing wasn't illegal, I would shoot you in the head
I'm pulling on the triggers, I'm pulling middle fingers
If you think I'm giving up, then you really outta fucks
I can do it for the win bustling out with a grin
Going strong, holding hands, and you know our life is bam BAM
Try to fuck with me
You will get what you deserve
All these bitches want revenge
So I dodge em and I swerve
I hear those bitches talk
Causing drama BULLSHIT
But I'm never going down
You can't sink my battleship
I've been cheated, I've been broken
I will not be oppressed
I have every lasting ticket till there's hardly nothing left
But the hate just keeps on coming
Even when I lose my fate
It's because I keep on swimming
They just perish to their hate
No, no, no, no, no, no
Your words can't keep me down
No, no, no, no, no, no
I won't give up and drown
I refuse to sink
I'd rather swim
I'm not going down
'Cause I will win
Can't hold me back
Where will you be?
I'll be anchored down
You'll be lost at sea
Hey I'm Jay, I'm gay
The crazy violent faggot with aids
Well that's what other people say
Then it must be true
'Cause all the things I rap about are the things I do
If I gave two flying fucks what they had to say
That I wouldn't wake up a different life this way
So you can see you can read about me
And the things I see and that's all there is to believe
Like really, really? Really? REALLY?!!
Is it true that you can sum your life up in a tweet
'Cause I can't that's not me
That's me pretending to be whatever I want to be
But I think it's time I do me
Be whoever the fuck I wanna be
Don't need permission I'll do what I please
And when the wait comes where will you be?
No, no, no, no, no, no
Your words can't keep me down
No, no, no, no, no, no
I won't give up and drown
I refuse to sink
I'd rather swim
I'm not going down

Cause I will win
Can't hold me back
Where will you be?
I'll be anchored down
You'll be lost at sea
I refuse to sink
I'd rather swim
I'm not going down
Cause I will win
Can't hold me back
Where will you be?
I'll be anchored down
You'll be lost at sea
I refuse to sink
I'd rather swim
I'm not going down
Cause I will win
Can't hold me back
Where will you be?
I'll be anchored down
You'll be lost at sea
I refuse to sink
I'd rather swim
I'm not going down
Cause I will win
Can't hold me back
Where will you be?
I'll be anchored down
You'll be lost at sea
No, no, no, no, no, no
Your words can't keep me down
No, no, no, no, no, no
I won't give up and drown
