

Redeemer

Blood On The Dance Floor

Drag me away from the light
Then I let you take my life
You crawled under my skin
I refuse to let you in

I'll hold you again
I'll bring light into those eyes
No matter how far underneath
Your body lies

Whoa, whoa, oh-oh-oh
Whoa, oh-oh-oh, your body is my redeemer
Woah, whoa, oh-oh-oh
Whoa, oh-oh-oh, your body's my redeemer

Your violent desecrator
Your body is my redeemer
I'm your divine savior
Your body is my redeemer

You told me I fucked like God
I told you I am Christ
It gets better when you die
Any fuck before me is just a lie

I'll hold you again
I'll bring light into those eyes
No matter how far underneath
Your body lies

Whoa, whoa, oh-oh-oh
Whoa, oh-oh-oh, your body is my redeemer
Whoa, whoa, oh-oh-oh
Whoa, oh-oh-oh your body's my redeemer

Your violent desecrator
Your body's my redeemer
I'm your divine savior
Your body is my redeemer

Woah, whoa, oh-oh-oh
Whoa, oh-oh-oh
Whoa, whoa, oh-oh-oh
Whoa, oh-oh-oh

Whoa, whoa, oh-oh-oh
Whoa, oh-oh-oh, your body is my redeemer
Whoa, whoa, oh-oh-oh
Whoa, oh-oh-oh your body's my redeemer

Your violent desecrator
Your body's my redeemer
I'm your divine savior
Your body's my redeemer
