

The Reunion

Blood On The Dance Floor

We gather in this moment
Our ritual for peace
We welcome in the outcasts
Friends, freaks, misfits and geeks
With this blood to sacrifice
We swear to always be
Like brothers, like sisters
In one fucked up family
We dance the hardest
We sing it loud
We are the SGTC and we are proud
I swear that I will not sell out
No hate will live in me
I will stay true to my beliefs
With all love, all loyalty

We are one, one are we
Rise up SGTC

...
