When You Come Around

Blood On The Dance Floor

So you let your past decide to run your life
Scared of just a little touch
I promise to be by your side and treat you right
Baby all you need is love
You don't got to be afraid, we don't have to rush
It's worth the wait
Even if you run away I don't really mind
It's worth the chase

I don't mean to smother you, I just want to hear your heart
(Your heart beating)
I don't mean to trouble you, I just need you near
(I'm not leaving)
Don't cut me off, don't push me out
I'll be waiting for you to come around
Don't cut me off, don't push me out
I'm still waiting for you to come around

I don't mean you any harm, I just want to fix your heart
Just a little touch
Always be right by your side, you can start a brand new life
But baby all you need is love
You don't got to be afraid we don't have to rush
It's worth the wait
Even if you run away I don't really mind
It's worth the chase

I don't mean to smother you, I just want to hear your heart
(Your heart beating)
I don't mean to trouble you, I just need you near
(I'm not leaving)
Don't cut me off, don't push me out
I'll be waiting for you to come around
Don't cut me off, don't push me out
I'm still waiting for you to come around

No one ever said, it was going to be easy
No one ever said, it wouldn't hurt
I said I wait for you and baby I meant every word

Don't cut me off, don't push me out
I'm still waiting for you to come around
Don't cut me off, don't push me out
I'm still waiting for you to come around

I don't mean to smother you, I just want to hear your heart

I don't mean to trouble you, I just need you near

I don't mean to smother you, I just want to hear your heart
(Your heart beating)
I don't mean to trouble you, I just need you near
(I'm not leaving)
I don't mean to smother you, I just want to hear your heart
(Your heart beating)
I don't mean to trouble you, I just need you near
(I'm not leaving)

I don't mean to smother you, I just want to hear your heart

I don't mean to trouble you, I just need you near
