

# You Are Enough

## Blood On The Dance Floor

I feel so worthless low and blue  
My love wasn't enough for you  
I tried my hardest, always failed  
Replaced by greener, you just bailed  
Hiding behind fractured smile  
Thought we could last awhile  
All I could for your attention  
No kind words can cut the tension

(Cause) baby you are enough  
And everything and more  
Even when things get tough  
I won't give up, and give up  
(Cause) baby you are enough  
And everything and more  
Even when things get rough  
I won't give up, and give up

I want you by my side  
Be my ride or die and walk the line  
...

Tear down walls, burn the lies  
Find the truth hidden in your eyes  
My actions are unforgiven  
Didn't know how I was living  
Never meant to do you wrong  
They played a game, I played along  
Didn't see my selfish ways  
It was our love I betrayed

(Cause) baby you are enough  
And everything and more  
Even when things get tough  
I won't give up, and give up  
(Cause) baby you are enough  
And everything and more  
Even when things get rough  
I won't give up, and give up

I want you by my side  
Be my ride or die and walk the line  
...

Don't say you're not enough for me  
You're all I want, you're in my dreams  
I swear I'll never do you wrong  
I'll fix it all, the pain is gone  
You are my missing puzzle piece  
You shine so bright, you help me see  
And I don't want to let you go  
Be incomplete and all alone

(Cause) baby you are enough  
And everything and more  
Even when things get tough  
I won't give up, and give up

(Cause) baby you are enough  
And everything and more  
Even when things get rough  
I won't give up, and give up

I want you by my side  
Be my ride or die and walk the line  
...
