

Almost Sorry

Blood, Sweat & Tears

I sit alone here in my one room
Waiting for the company to call
Four times around the wheel is enough for anyone
I'm on my own
And I'm almost sorry that I left you
A blind man me
I thought to be happy you just have to be free
Almost sorry that I left you
I must be blind
I'm sorry that I left you
I'm a blind man
I gave away all of my, all your love
And now I've seen them all alone
I hope I didn't make a big mistake now
Cause when I think of you it makes me feel sad

Sorry that I left you
I must be blind
Sorry that I left you
I'm a blind I'm a blind, I'm a blind
Sorry that I left you
A blind man me
I thought to be happy you just have to be free

It wasn't like we didn't talk about things
But when you talked about forever
I knew my ... love for freedom
Would call my name again and lift me away
Sometimes I wonder who I talk to
When things are really getting me down
I know I'm gonna wish I had you bad baby
Who knows a man who never had to say

Sorry that I left you
I must be blind
Sorry that I left you
I'm a blind I'm a blind, I'm a blind

I gave away all of my, all your love
And now I've seen them all alone
I hope I didn't make a big mistake
Cause when I think of you it makes me feel sad

Sorry that I left you
Almost sorry that I left you
Sorry that I left you
I must be blind
I'm a blind I'm a blind, I'm a blind
Almost sorry that I left you
Sorry that I left you
