

G.H.O.U.L

Bloodsucking Zombies from Outer Space

When I was a little boy
My mother said to me
No other woman could be good enough for me
And I was damned from that moment on
When I crawled out of my mother's womb

I'm just a G.H.O.U.L.
I'm a ghoul from hell
G.H.O.U.L.
I just feel so swell
At the Plainfield cemetery
I'm a ghoul named Ed

I found my sanctuary in this old farmhouse
I keep me company with bodies I dig out
I make bowls, lamps and necklaces
Out of skin I sewed me a dress
As a man I am a complete mess

G.H.O.U.L.
I'm a ghoul from hell
G.H.O.U.L.
I just feel so swell
At the Plainfield cemetery
I'm a ghoul named Ed

Mary Hogan is hanging in the shed
And of Bernice Warden I chopped off the head
I guess it's time for me to confess

I'm just a G.H.O.U.L.
I'm a ghoul from hell
G.H.O.U.L.
I just feel so swell
At the Plainfield cemetery
I'm so sick, fucked up and glary
I'm a ghoul named Ed
I'm a ghoul named Ed
