

Legendary Jack

Bloodsucking Zombies from Outer Space

My mother was a bastard whore
born as an unknown soldier boy
I grew up at my grandpas ranch
I was a poor boy, poor boy seeking for revenge
big city bitches drive me mad
I want to choke them till their dead
I'll take her nylon stockings down
and her throat they'll go around and round and round, because?

I'm the strangler of Vienna
all the alley cats screams when I
put my robe around their neck
cause I'm the legendary Jack

Jail poet of society
the swells and critics suck up to me
succesfully resocialised
but I'm a psycho, psycho and I lapse back into crime

I'm the strangler of Vienna
all the alley cats screams when I
put my robe around their neck
cause I'm the legendary Jack
I'm the legendary Jack
I'm the legendary Jack
