

The Middle Of Love

Blossom Dearie

Life is a riddle
And you're in the middle of love
Hey diddle diddle
Your heart is a fiddle for love
Over the moon that swings
In a preposterous sky
You'll see a cow with wings
Cause of the love in your eyes

You sit & twiddle
You're caught in the middle of love
Hot as a griddle
That is what is the middle of love
Whenever you fight that urge
Let that old blood pressure surge
Be like a kitten
Be happy you did it for love

Life is a riddle
And you're in the middle of skoo doody doo

Hey diddle diddle

Be happy you did it for love

No one forbid it
You better get with it
You're in the middle of
Love
