

## Out of the Blue

Blue Rodeo

Out of this world, out of this mind  
Out of this love for you  
Out of this world, out of the blue  
Out of this love for you

Sometimes I don't know you  
You're like somebody else  
But that's all right  
I'm a stranger here myself  
She don't lie awake  
Or go out that door  
'Cause she knows  
I'll be coming back, back for more

Out of this world, out of this mind  
Out of this love for you  
Out of this world, out of the blue  
Out of this love for you

It's in the cards  
It's written in the stars  
The wee-wee hours  
In some lonely bar  
She don't walk the floor  
She don't lie awake  
'Cause she knows I'll  
I'll be coming back, back for more

Out of this world, out of this mind  
Out of this love for you  
Out of this world, out of the blue  
Out of this love for you

Out of this world, out of this mind  
Out of this love for you  
Out of this world, out of the blue  
Out of this love for you  
Out of this world, out of this mind  
Out of this love for you

Out of this world, out of this mind  
Out of this love for you
