

Try

Blue Rodeo

Don't tell me I'm wrong,
Cause I've been watching every move that you make.
Hearts you steal, when you're made-up and heels
Trouble for the man that you take.

Every time you walk in the room
I couldn't ever be sure of a smile
You were never the same way twice,
I'm falling in love
Oh, night after night, oh it's crazy, ooh

So many people who said, ooh
Girl you've got nothing but time
Oh you are a shining star
Don't you worry 'bout what you're leaving behind.

Every time you walk in the room
I couldn't ever be sure of a smile
You were never the same way twice,
I'm falling in love
Oh, night after night, oh it's crazy

Oh you got to try, try, try.
Ah don't you know you've got to try,
Try, try, ooh
Oh baby you try, oh.

Every time you walk in the room
I couldn't ever be sure of a smile
You were never the same way twice,
I'm falling in love
Oh, night after night, oh it's crazy

Oh you got to try, try, try.
Ah don't you know you've got to try,
Try, try.
Ooh oh baby you try, oh whoa whoa try, oh whoa whoa
