## **That's Love**

## **Blue System**

Go, if you want go Stay, if you don't know Friends, stay together baby Call me I'll be there

Feel, what you wanna feel Mine, oh love's so real Friends, we're forever baby Here and everywhere

Don't, keep your distance Don't, lose your resistance Don't, you want my heart?

That's love, we'll win again This love is like an ocean That's love, it's not a game How deep is your emotion?

That's love, a burning flame This love is like a fire That's love, it's not the same You can't stop my desire

Call, if you want me Fall, if you can't see Try, if you want to try All of my sweet heart

Words, don't come easy Words, they can hurt me Friends, stay together baby Never break apart

Don't, play fire Don't, stop desire Don't, you want my heart?

That's love, we'll win again This love is like an ocean That's love, it's not a game How deep is your emotion?

That's love, a burning flame This love is like a fire That's love, it's not the same You can't stop my desire

That's love, we'll win again This love is like an ocean That's love, it's not a game How deep is your emotion?
