## Wonderful World

**Blue System** 

I'm not a Casanova Ohh, yeah, the time is over I will never telling lies to you Ohh, don't you feel the fire

Ohh, you will take me higher Baby, like the biggest love will do You're so cute, every time I love you more and more each day

It's such a wonderful world Come stay forever Wonderful world when we're together Wonderful world that you are here with me

It's such a wonderful world You love me baby Tell the naked truth It's a wonderful world, feel just brand new

You're like a flash and thunder Ohh, baby, here is my number Ohh, your love is especially and true You're like a new sensation

Ohh, such a good occasionv Ohh, I'll take a lesson just in blue You're so cute, every time I love you more and more each day

It's such a wonderful world Come stay forever Wonderful world when we're together Wonderful world that you are here with me

It's such a wonderful world You love me baby Tell the naked truth It's a wonderful world, feel just brand new

It's such a wonderful world Come stay forever Wonderful world when we're together Wonderful world that you are here with me

It's such a wonderful world You love me baby Tell the naked truth It's a wonderful world, feel just brand new
