

# Mellow Song

Blur

**A G**

I live in my street

**A C A**

I am a gilothene

**G A**

Pull it away

**C G**

In my machine

**F G G**

Where have I been

**F A**

not you

**A G A**

She is star in my left time

**C A**

it's a Nuckelhole low

**G A**

Give in away time

**C G**

to pass it out

**F G G**

Sun is so, well

**F A**

god so

**D E A G A C A G A G**

Is this where I am going to, well seeeee, well see, well see

I kill this sleep by my manual loop

Walking on sun on my onanue

Love with a Moon

Love you

I live in...

Is this...
