

Money Makes Me Crazy

Blur

Money make me crazy
Money make me lazy
Money make me crazy
Summer's here, yeah

I wanna be left alone
On a holiday
And never do the things I've done again
They make me crazy

Money make me fat now, ohh ohh
Money make me eat now, ?? ??
Money make me crazy
Summer's here
I'll sell myself

Yeah, yeah, yeah, yeah...

I wanna be left alone
On a holiday
And never do the things I've done again
They make me crazy

Money make me ?? now
Money make me deaf now, ?? ??
Money make me crazy
Summer's here, yeah

I'll sell myself
I'll sell myself
I'll sell myself

My freedom ??
??
