The Christmas Blues

The jingle bells are jingling The streets are white with snow The happy crowds are mingling But there's no one that I know

I'm sure that you'll forgive me If I don't enthuse I guess I've got the Christmas blues

I've done my window shopping There's not a store I've missed But what's the use of stopping When there's no one on your list

You'll know the way I'm feeling When you love and you lose I guess I've got the Christmas blues

When somebody wants you Somebody needs you Christmas is a joy of joy But friends, when you're lonely You'll find that it's only A thing for little girls and little boys

May all your days be merry Your seasons full of cheer But till it's January I'll just go and disappear

Old Santa may have brought you Some stars for your shoes But Santa only brought me the blues Those brightly packaged Tinsel covered Christmas blues
