The Cuckoo (Is a Pretty Bird)

Bob Dylan

Oh, the cuckoo is a pretty bird That wobbles as she flies But she never says coo-coo Till the fourth day of july.

I've gambled in England
I've gambled in Spain
An' i bet you ten dollars
That i'll beat you next game.

I build me a cabin On a mountain so high So i can see Nelly As she goes ridin' by.

I wish i was a poet An' could write a fine hand I'd write my love a letter Lord, she would understand.
