

# Yeah, I'll Do That

Bob Schneider

I said, "Yeah, I'll do that"  
Shh, I love you, baby  
It won't bother me a bit  
I said, "Yeah, I will do that"  
Shh, I love you, baby  
It won't bother me a bit

All your dame junkie friends living out on the Eastside  
They won't tell you nothing, just what you wanna hear  
Right, that ain't gonna bring [Incomprehensible]  
They don't get what they need from you  
But I'll tell you the truth

I said, "Yeah, I'll do that"  
Shh, I love you, baby  
It won't bother me a bit  
I said, "Yeah, I will do that"  
Shh, I love you, baby  
It won't bother me a bit

Yeah, you got them drugs running  
And they keep that dough coming  
Keeping that while they know you hate that

All your friends have resented  
They don't know that no matter what you got  
It's a [Incomprehensible]  
They won't tell you this but I did

I said, "Yeah, I'll do that"  
Shh, I love you, baby  
It won't bother me a bit  
I said, "Yeah, I will do that"  
Shh, I love you, baby  
It won't bother me a bit

You won't get the truth from them  
As long as somebody keeps rolling in  
They don't give what  
They just want what they can get

It's not that they don't love you, baby  
They're just too damn afraid to let you go  
But I'll let you go

I said, "Yeah, I'll do that"  
Shh, I love you, baby  
It won't bother me a bit  
I said, "Yeah, I will do that"  
Shh, I love you, baby  
It won't bother me a bit

Yeah, yeah, yeah, yeah, yeah  
I love you, I love you, I love you  
Yeah, yeah, yeah, yeah, yeah  
I love you, I love you, I love you

Yeah, yeah, yeah, yeah, yeah  
I love you, I love you, I love you  
Yeah, yeah, yeah, yeah, yeah  
I love you, I love you, I love you

Said, no, no, no, no, no  
I love you, I love you, I love you  
I said, no, no, no, no, no  
I love you, I love you, I love you, I love you

Said, no, no, no, no, no  
I love you, I love you, I love you  
I said, no, no, no, no, no  
I love you, I love you, I love you

No, no, no, no, no
