

In the Name of Love

Bob Sinclar

Rest far, no, no, no
It's alright it's alright, yeah

I wanna hold you
On through that day and on through that night
And when the sun goes down
I'm not gonna kiss you goodnight

'Cause we will be dancing, yeah
In every street in the name of love
Where we live as one
In the name of love

In the name of love
(Oh yeah, yeah, yeah)
In the name of love
(Oh yeah, yeah, yeah)
In the name of love
(Oh yeah, yeah, yeah)
In the name of love
In the name of love, yeah

When that old mob wind blows
In our heart there's a promise of spring
There's not a cloud in the sky
Just a will to survive, yeah

And we will be dancing
In every street in the name of love
Where we live as one
In the name of love

In the name of love, yeah
In the name of love
In the name of love
In the name of love

In the name of love
(Oh yeah, yeah, yeah)
In the name of love
(Oh yeah, yeah, yeah)
In the name of love
(Oh yeah, yeah, yeah)
In the name of love
In the name of love, yeah

All the white ones all around the world
Rest off to the walls of Jamaica, yeah
Everyone alright

Rainbow children all around the world, alright

Oh yeah, alright alright
In the name of love now
We got love, love, love, yeah
All the children
Fill their hearts full of love, hope

Yeah, yeah, yeah

Everybody, everybody now
Put a smile in your heart
It's alright, yeah yeah
It's alright, oh yeah

We got love, love, love
You better believe it
So much love, love, love
You gotta believe it
All the colors of the rainbow

We got love, love, love
You better believe it
So much love, love, love
You gotta believe it

We got love, love, love
You better believe it
So much love, love, love
You gotta believe it

We got love, love, love
You better believe it
So much love, love, love
You gotta believe it

We got love, love, love
You better believe
So much love, love, love
You gotta believe it

We got love, love, love
You better believe it
So much love, love, love
You better believe it

Oh yeah, yeah, yeah
Oh yeah, yeah, yeah
Oh yeah, yeah, yeah
In the name of love
In the name of love, yeah
