

# Paranoid

Bobaflex

I've got the feeling that they're comin' round the corner  
Look around but I don't see anyone  
Never leave the house because I know they're watching  
When you come in be careful what you say

Peace of mind  
I want it the way that it was before

I'm feeling paranoid  
I just can't turn off that voice  
I didn't have a choice  
I know they're out to get me

I can feel it coming down in the morning  
Shadow passes in the (?)  
I see you with them but I think you're working for them  
Haven't slept, I can't trust anyone

Peace of mind  
I want it the way that it was before  
So... who... are... you  
I can't trust anyone  
I'm feeling paranoid  
I just can't turn off that voice  
I didn't have a choice  
I know they're out to get me

I'm feeling paranoid  
I just can't turn off that voice  
I didn't have a choice  
I know they're out to get me

I think I think I think I need my  
I think I think I need my head examined  
I think I think I think I need my  
I think I think I need my head examined

Paraooid, paranoid, paranoid

I'm feeling paranioid  
I just can't turn off that voice
