

You Don't Wanna Know

Bobaflex

Don't worry honey
I'll keep it deep inside
Quit acting funny
Some secrets need to die and you

You keep trying and you
You keep crying and you
You keep pushing places I don't want to go
I keep lying and you
You keep crying and I
I keep telling you
You don't want to know

It's best I keep my demons down below
The skeletons in my closet ain't for show
Don't look through the windows to my soul
And turn your back cause you don't want to know
You don't want to know

Drinking too much babe
You'll want to fight tonight
I'm losing touch babe
Some secrets need to die and you

You keep trying and you
You keep crying and you
You keep pushing places I don't want to go
I keep lying and you
You keep crying and I
I keep telling you
You don't want to know

It's best I keep my demons down below
The skeletons in my closet ain't for show
Don't look through the windows to my soul
And turn your back cause you don't want to know

Don't hate me, don't hate me
Don't hate me for the things I've done
You're so pretty, you're so pretty
Beautiful stranger you've become
Don't make me, don't make me
Don't make me pay for what I've done

You keep trying and you
You keep crying and you
You keep pushing places I don't want to go
I keep lying and you
You keep crying and I
I keep telling you
You don't want to know

It's best I keep my demons down below
The skeletons in my closet ain't for show
Don't look through the windows to my soul
And turn your back cause you don't want to know
You don't want to know
