

Beyond the Sea

Bobby Caldwell

Somewhere beyond the sea
Somewhere waiting for me
My lover stands on golden sands
And watches the ships that go sailing

Somewhere beyond the sea
She's there watching for me
If I could fly like birds on high
Then straight to her arms I'd go sailing

It's far beyond the stars
It's near beyond the moon
I know beyond a doubt
My love will lead me there soon

We'll meet beyond the shore
We'll kiss just like before
Happy we will be my love and me
And never again I'll go sailing

I know beyond a doubt
My heart will lead me there soon
We'll meet, I know we'll meet beyond the shore
We'll kiss just as before
Happy we will be beyond the sea
And never again I'll go sailing

No more sailing
So long, sailing, sailing, no more sailing
Good-bye, farewell my friend, no more sailing
So long sailing, no more sailing
