

Don't Ask My Neighbor

Bobby Caldwell

You're wondering if I care about ya
Or if there's some cause that I should doubt ya
Oh I can see girl
That you don't know me very well
You're so unsure

You run here and there
To ask my feelings
But friends only guess
They can't really say

Don't ask my neighbors
Don't ask the friends I hang around
Don't be afraid to come to me
Don't ask my neighbors
Come to me
Don't be afraid

You ask all my friends
If I'm the same girl
You don't understand
You think I'm changing

Don't ask my neighbors
Come to me
Don't be afraid of what ya see
You'll find I love you
Come to me
Don't be afraid
